{ We are always available to help with advice }

Recycled LoVe DoG Rescue, Inc. Inc. appreciates your interest in our dog(s)!! Our ultimate goal is to find a perfect match in a family and a home for our dog(s) and for you and your family dynamic. A PERFECT MATCH is placing our dog(s) in a Happy, Positive, Loving forever home. Where you, the adopter and your family will discover the unconditional love of dog(s) and at the same time provide a healthy, safe, secure and most of all, loving environment where all the dog(s) needs will be met for the lifetime of the dog(s). Which means, NOT until you go on vacation, or back to work, or till you have a baby or have to move, or you don't want to pay a trainer or take the dog(s) to the vet. Our dog(s) will become a part of your family and will live out the remaining years of its life with your family, a better half than the first half they had. Therefore, Transfer of ownership of our dog(s) is NOT permitted, YOU MUST contact RLDR for resolution or return of the dog(s) to us. BONDED PAIRS STAY TOGETHER!

Our dog(s) are ONLY placed in homes where their primary life is lived indoors, we do not place dog(s) in homes to live outside. These creatures are a part of your family. We require that they are either exercised or walked regularly and permitted safe outside access to a secure yard for play, sun and potty. NEVER to be left unattended for long periods of time as they are family! Our dog(s) should never be left outdoors at night, during fireworks, or bad weather. You must be able to fully care for the dog(s) and their needs, financially, physically, mentally, and/or medically whenever and where ever you may be or may be deemed necessary.

MOST dog(s) require additional potty training when they change environments, you must be willing to work through the adjustment phase and work with the dog(s) in a positive manner and if necessary get advice from a trainer or watch training videos if you are struggling. We work with several wonderful trainers, many at a discount, who are available for you to call.

NOTE: Neglect and Abuse are punishable by law and a Federal Offense.
